

VALENTINO GAMBINO

Rosario, Santa Fe, Argentina • gambinovt@gmail.com

Education	Pontifical Catholic University of Argentina (UCA)	Rosario, Argentina
	<i>Industrial Engineering</i>	2026 – present
	10 of 63 courses passed.	
	Relevant coursework: Probability and Statistics, Physics I, Algebra and Geometry.	
	National Technological University (UTN)	Rosario, Argentina
	<i>University Technical Degree in Programming (2024 curriculum)</i>	2024 – present
	8 of 18 courses passed. GPA: 7.13/10.	
	Relevant coursework: Programming I and II, Probability and Statistics.	
	National Technological University (UTN)	Rosario, Argentina
	<i>Mechanical Engineering (previous studies)</i>	2024 – 2025
Skills & Interests	7 courses passed, credited toward Industrial Engineering. GPA: 7.86/10.	
	Relevant coursework: Mechanical Engineering I, Physics I, Calculus I.	
	Instituto Politécnico Superior "General San Martín" (National University of Rosario)	Rosario, Argentina
	<i>Mechanical Technician</i>	2015 – 2021
	GPA: 7.52/10.	
	Relevant coursework: Machine Elements, Hydraulic Machines, Machining Processes, Parametric Solid Modeling.	
	CAD/CAM: proficient in SolidWorks 3D, SolidWorks CAM, Solid Edge Community, Autodesk Inventor, Autodesk Fusion, AutoCAD 2D, FluidSIM.	
	Manufacturing: proficient in CNC / G-code, manual machining (lathe, milling, welding); familiar with Mach4.	
	Programming: proficient in Python, JavaScript, HTML/CSS, Git/GitHub, Linux/Bash; familiar with C/C++, Node.js, Next.js, Tailwind CSS, GitHub Actions, Docker, WSL, Arduino; AI-assisted development (Claude Code).	
	Data and computing: familiar with MySQL, PostgreSQL, MATLAB/Octave.	
	Office and management: advanced proficiency in Office / Google Workspace; proficient in Excel; familiar with BPM process modeling (draw.io).	
	Languages: Spanish (native); English (B2, Cambridge First Certificate, 2024); Italian (basic); Portuguese (basic).	
	Interests: engineering design, research and development, operations, planning, systems.
